

HARVEST OF EXCELLENCE AWARDING CEREMONY: RECOGNITION OF SEEDS ASIA

Held on February 1, 2016

The Department of Education Region Office VII (DepEd RO7), through the Education Support Services Division (ESSD) recently held a thanksgiving program for its partners from the private sector, national government agencies, local government units, international organizations, mission organizations and civic-oriented groups among others last February 1, 2016. The said event is called the **“Harvest of Excellence Awarding Ceremony”** which aims to recognize the valuable contribution of DepEd partners and supporters to the cause of promoting quality basic education through the provision of much needed learning support materials such as the rehabilitation of classrooms and school facilities, resource development to students and teachers and capacitated school leaders for the improvement and development of schools in Region VII.

SEEDS Asia is very much honored to have been recognized of its valuable contribution to the enhancement of the basic education by providing capacity building on DRR Education to Teachers and integration of DRR Education into their iPlans (Instructional Plans) for Kindergarten to Grade 10 levels as well as having DRR initiatives to be led by schools in cooperation with their respective local communities. This award will serve as an inspiration especially to the SEEDS Asia Cebu Project Team to further work hard for the achievement of the Project Goals of having sustainable DRR Education. Both local and international organizations were likewise awarded with recognition together with SEEDS Asia.
